

Having a child with special needs can make travel intimidating. Navigating MSP Airport helps ease the anxiety with free, monthly practice-runs at the airport. This program, a partnership between the [Metropolitan Airports Commission](#), [Fraser](#) and [Autism Society of Minnesota \(AuSM\)](#), allows you to:

- ➔ Experience a Transportation Security Administration (TSA) security checkpoint
- ➔ Explore the terminal
- ➔ Board a plane and meet a pilot
- ➔ Prepare for takeoff
- ➔ Gather helpful tips, information and resources
